FEDERAL FUNDS TRANSACTIONS DETAIL REPORT
April 1 – June 30, 2010

This report is compiled from data obtained from state agencies through the Legislative Research Unit's Federal Aid Tracking System which was established under the authority of P.A. 80-1029 and P.A. 93-632. Information regarding all applications for (and all awards of) federal funds to Illinois state agencies are recorded in a computer database. Using a State Application Identifier (SAI) number for each application submitted to a federal agency, LRU staff can track the status of each application including the amount applied for, the amount awarded, and any changes to the application or award amounts.

The data shown reflect information that was received by the LRU for a particular quarter, and may not reflect the actual dates of the requests and/or awards.

Additional information about the federal programs listed in this report can be found in *Federal Funds to State Agencies*, an annual report prepared for the Illinois General Assembly by the Legislative Research Unit. This report is available on the LRU Web site at www.ilga.gov/commission/lru/lru_home.html.

Questions concerning this report can be directed to Kathleen Hazelwood at (217) 782-6851.
